## ABOUT

I'm a designer with 9+ years of experience designing for a variety of clients and recently teaching the next generation of designers. I've been successful in building a small team of designers, putting into place the design process at Kwall. I'm constantly learning and looking to improve my business, leadership, research and design knowledge.

## SKILLS

Sketch, Invision, Balsamiq, Adobe Xd, Adobe Creative Suite, HTML / CSS / Drupal / Wordpress

## WORK EXPERIENCE

**Kwall**
Jan 2018 – Present
Newport Beach, CA

### Creative Director
As head of the design department, I managed a team of designers through the R&D and design phases. Job responsibilities included management of the brand, employee reviews, budgets, time tracking, and ensuring quality throughout all projects. Assisted with sales presentations as the design representative to help explain our creative process and skills.
